MetaPhase Consulting Strategic Partnership with Proven Optics

MetaPhase Consulting is a long-standing, strategic partner with Proven Optics. This strategic partnership recognizes MPC as a preferred implementation vendor of Proven Optics' new and innovative ServiceNow applications for TBM, Public Sector Budget Formulation and Execution, and Invoicing. With this partnership, MPC will continue to support Agency CIOs and CFOs with implementation services of these applications to empower Federal leaders to leverage real-time data-driven analysis, thus improving services to departments across their organization and meeting OMB timelines.

About MetaPhase Consulting

MetaPhase Consulting is an 8(a) certified IT and Management consulting firm located in the Washington, D.C. metro area. We operate at the intersection of business and IT -- creating, deploying, and supporting practical solutions that serve as a force multiplier for the government. MetaPhase provides proven, highly effective consultants to support the planning, development, implementation, and change management associated with Federal Programs.
